

## Units and compressors of **Cooling Systems Inc** India

More than 30 year is the company Cooling Systems Inc manufacturing in own home compressor blocks , compressor units and complete chillers.

The company Cooling Systems Inc is based on a license agreement with SABROE . Even today the Cooling System Inc is still manufacturing the CSI 102- CSI 128 –CSI 163 in male of female driven versions .

The compressor are based on the SAB 128 and SAB 163 mk1 versions, with the well-known 12 O’Clock suction connection.

Cooling System Inc designed also a CSI 102 model , which can be delivered as Male or Female driven.

What the most people not know that Cooling Systems Inc can handle complete turn – key projects.

The complete skid is constructed all in the same factory, with the knowledge and experience of 30 years.

Not only in construction of compressors , also constructing of skids and even installation.

The Skid next show the unit based on CSI 163 compressor
